

Louisiana Carry

Louisiana Carry is a non-profit organization registered with the Louisiana Secretary of State established to educate and raise awareness of the carry of firearms in the State of Louisiana.

OPEN CARRY IS A LEGAL OPTION IN LOUISIANA!

The LA State Constitution Article 1, Section 11:

“The right of each citizen to keep and bear arms is fundamental and shall not be infringed. Any restriction on this right shall be subject to strict scrutiny.”

Louisiana is a traditional open carry state. We have complete state preemption of firearms laws with the exception that laws in place prior to the passage of preemption are allowed to remain in place.

In the United States, open carry is shorthand terminology for "openly carrying a firearm in public", as distinguished from concealed carry, where firearms cannot be seen by the casual observer.

Office of the Attorney General State of Louisiana Opinion No. 79-1212

“It is the conclusion of this office that it is legal to carry a gun when it is exposed on one's person. The Louisiana Supreme Court has affirmed this conclusion. State v. Fluker, 311 So.2d 863 (1975). However, the legality of carrying even an exposed gun is subject to certain limitations of law. “
